Flanagan State Bank, Named Among the Top Extraordinary Banks in the Nation

Flanagan, IL, April 21, 2022 – Flanagan State bank, a local Flanagan icon, was just named among the top extraordinary banks in the United States by The Institute for Extraordinary Banking™.

Flanagan State Bank was recognized with the Institute's Banky™ Award for its commitment to strong community banking. This recognition is given to top community banks across the country to help people find the best banks in their communities.

"We are One family, helping another. This embodies our culture and defines why we do what we do. It defines the way we treat one another, the family of communities we serve, and the family of people we do business with. We are passionate about our customers and our legacy as a locally owned community bank that focuses on win-win relationships. Some of our distinctions include serving central Illinois in areas with a more rural composition, which allows us to support agriculture and the farmers who feed America, as well as our expansion to offer mortgage loans in diverse locations throughout the United States." – Audrey Harlan President and CEO.

The Extraordinary Banking™ Awards highlight the vital yet often overlooked role that local community banks play in our nation's economy. Without a vibrant local banking industry, our small businesses and families often lack the have-your-back support of a true community bank that makes communities really thrive.

The Extraordinary Banking™ Awards recognize the best of what community banks offer to our cities, towns, and nation: a true commitment to the success of the small businesses and local community they serve.

Roxanne Emmerich, Chair and Founder of The Institute for Extraordinary Banking™, proclaimed during the awards ceremony: "Community banks are the backbone of America. They are what keeps a community thriving. When a community bank leaves a community, small businesses often struggle to stay, and jobs leave. Every robust community has a strong community bank that understands how to help that community thrive and grow."
